PTREET COMMITTEE ADOPTS A PLAN AS TO STH, BEYOND LEIGH.

The Council Committee on Streets held cial session last evening and agreed the street beyond Leigh. A number property-holders were on hand, and the members of the committee present were Chairman Allen and Messrs, Bloomerg. Ferriter, Diacont, King. Burton,

Colonel Cutshaw, the City Engineer, ex claimed how the work of filling the tunnel and left the street. He thought the excavation had been completely filled in, and he did not believe that the ground would sink sufficiently to endanger the adjoining property in the future. With the exon practically the old line, but that in curbing had been elevated about a foot property-owners, and this meeting was ordered to determine what course should

THE ENGINEER'S RECOMMENDA-TIONS. Colonel Cutshaw explained the situation in detail, discussed the different ways in which the street might be improved, told of the hardships to which the residents of that thoroughfare had been subjected in the last three years, and said there were two questions to be determined. The first was whether the new and proper grade should be ndopted or the original directions to restore the street as it formerly was should be carried. He thought it would be better to have the elevated grade, and in order to thus improve the was should be carried. The elevated grade, and in order to thus improve the street and not impose on the abutting property-owners be would recommend that the lots be filled by the city, the citi-

zens to move their fences, etc.

The second questions Colonel Cutshaw said, was whether the sidewalk on the cast side should be made of about the present width and uniform, or owners of

On Mr. Ferriter's motion the Eighth-street residents were invited to present their views on the questions at issue, and several of them availed themselves of the opportunity. While most of them re-garded the former grade as preferable, they were willing to accept the proposed they were willing to accept the proposed change with the provision that the city should do the filling. It was represented that the home of Mrs. Henning would be greatly damaged by the fill, and she was opposed to the elevation of the curbing and sidewalk.

ing and sidewalk.

Mr. Andrew Green likewise objected to any change. His property is on the west side of the street, where it is proposed to raise the sidewalk sixteen inches. After a long conference, in which there was a general interchange of views, Mr. Bloomberg made a motion, which was ananimously adopted. This was to recommend to the Council that the new and higher grade, as advocated by the Englhigher grade, as advocated by the Engi-neer, be adopted; that the city fill the lots and have constructed such area walls may be necessary: that the relaying of uniform width of about nine feet to con-form to that in front of Mr. Ebel's resi-fence, which is the first one north of prepare for the Council an estimate of

MANCHESTER PROCEEDING IN THE MATTER OF SECURING DRAINAGE.

Old Dominion Hospital Auxiliary t Meet This Afternoon-Mr. Smith Invited to Speak-Escape from the County Jail-Personals and Briefs

The indications are that Manchester will on have a complete system of sewerage. A plan has been agreed upon, and the steps looking to putting it into operation are proceeding satisfactorily. The Water Commissioners and the Sewer Committee he'd a joint session last night, and agreed upon an ordinance providing for the issuance of \$65,000 of bonds to pay for putting in sewers. This sum will provide for the proper drainage of the portion of the city now in need of sewers. The matter will come before the Council at its next meet-
